

Archaeological Crew Lead

Ecofor Consulting Ltd. is a natural and cultural heritage resource management company with a team of over 50 professional and technical employees. Ecofor has offices in Fort St. James, Fort St. John, Prince George, Calgary, Edmonton and Whitehorse. We provide expertise in a broad range of disciplines including fisheries and aquatics, wildlife, vegetation and riparian, soils and terrain, hydrology, reclamation and enhancement, environmental monitoring, environmental assessment, contaminated sites, land use planning, archaeology, traditional land use, traditional ecological knowledge, heritage consultation, and socio-economic assessment.

Ecofor is currently seeking **Archaeological Crew Leads** (approximately seven-month position) to join our team in Fort St. John, Fort St. James or Williams Lake, BC.

Key Responsibilities:

- Identify areas of archaeological potential and archaeological sites.
- Collect data and conduct data management.
- Lead field reconnaissance and archaeological impact assessments for oil and gas, hydro, forestry, transportation and other industries.
- Follow permit requirements.
- Write interim reports and communicate with Field Directors; and,
- Participate in Ecofor's Health, Safety and Environmental Program.

Required Qualifications:

- Pursuing or have obtained an undergraduate degree in Archaeology or Anthropology.
- Excellent writing and communication skills, desire to grow business, and work closely with other environmental professionals, environmental discipline leads, and First Nations.
- Experience in Cultural Resource Management.
- Familiarity with the provincial heritage assessment regulatory environment in BC.
- Familiarity with mapping, pedestrian survey, subsurface testing, excavation, data collection, field note taking and laboratory experience desired.
- Ability to do strenuous field work.
- Excavation experience for the Fort St. John location.
- Experience with using handheld GPS units, mapping software, Microsoft Office Suite, and Adobe software.
- Willingness to travel for work and stay in remote accommodations.
- Able to work in a strong safety culture; and,
- Must possess a valid driver's licence.

Desired Qualifications:

- Current H2S, First Aid, Ground Disturbance, and any other relevant safety tickets would be an asset but is not required; and,
- Certification in ATV and/or UTV operation.

Job ID Numbers:

2018-005 Archaeological Crew Lead - Fort St. John, BC.
2018-006 Archaeological Crew Lead - Fort St. James, BC.
2018-007 Archaeological Crew Lead – Williams Lake, BC.

Please send your resume and cover letter to: careers@ecofor.ca by **February 28, 2018**. Please include the **Job ID number(s) you are applying for in your cover letter/ resume**. We wish to thank everyone for their interest in Ecofor; however, only those selected for an interview will be contacted.
