

## Archaeological Crew Lead

Ecofor Consulting Ltd. is a natural and cultural resource management company with a team of over 50 professional and technical employees. Ecofor has offices in British Columbia, Alberta, Yukon Territory and Nova Scotia ([www.ecofor.ca](http://www.ecofor.ca)).

Are you looking to work with a dynamic team of professionals? Ecofor is currently seeking experienced Archaeological Crew Leads to join our team in Prince George, Fort St. James, Williams Lake, and Fort St. John, BC. This is an hourly position offering competitive wages, housing/subsidy, benefits, and opportunities for professional growth and career development.

### Key Responsibilities:

- Identify areas of archaeological potential and archaeological sites.
- Collect data and conduct data management.
- Lead field reconnaissance and archaeological impact assessments for oil and gas, hydro, forestry, transportation and other industries.
- Follow permit requirements.
- Write interim reports and communicate with Field Directors.
- Promote a strong safety culture and become an active member of the Ecofor team.

### Skills and Qualifications:

- An undergraduate degree in Archaeology or Anthropology.
- Excellent writing and communication skills, desire to grow business, and work closely with other environmental professionals, environmental discipline leads, and First Nations.
- Experience in Cultural Resource Management.
- Familiarity with the provincial heritage assessment regulatory environment in BC.
- Familiarity with mapping, pedestrian survey, subsurface testing, excavation, data collection, field note taking and laboratory experience desired.
- Ability to conduct strenuous field work in a variety of field conditions.
- Excavation experience for the Fort St. John location.
- Experience with handheld GPS units, mapping software, Microsoft Office Suite, and Adobe software.
- Willingness to travel for work and stay in remote accommodations.
- Must possess a valid driver's license. Skill with snowmobiles, ATVs and UTVs is an asset.
- Current H2S, First Aid, Ground Disturbance, and any other relevant safety tickets would be an asset but is not required.
