

## Lithic Lab Director

(Fort St. John, B.C. – Job ID: 2019-013)

Ecofor Consulting Ltd. is a natural and cultural resource management company with a team of over 50 professional and technical employees. Ecofor has offices in British Columbia, Alberta, Yukon Territory and Nova Scotia ([www.ecofor.ca](http://www.ecofor.ca)).

Are you looking for an opportunity to work with a dynamic team of professionals? Ecofor is currently seeking a Lab Director to join our team in our Fort St. John, BC. This is an hourly position offering competitive wages, benefits, housing/subsidy, and opportunities for professional growth and career development.

### Key Responsibilities:

- Artifact identification, lithic analysis and artifact cataloguing.
- Quality assurance.
- Reporting to and updating Project Managers.
- Promote a strong safety culture and become an active member of the Ecofor team.

### Skills and Qualifications:

- Minimum of an undergraduate degree in Anthropology or Archaeology.
- Significant experience with artifact identification, analysis and artifact cataloguing.
- Significant laboratory experience.
- Must possess a valid driver's license.
- Experience in Cultural Resource Management would be considered an asset.
- Excellent writing and communication skills, desire to grow business, and work closely with other environmental professionals, environmental discipline leads, and First Nations.

Please send your resume and cover letter to [careers@ecofor.ca](mailto:careers@ecofor.ca) by **March 6, 2019**. Please include the **Job ID number in your cover letter/ resume**. We wish to thank everyone for their interest in Ecofor; however, only those selected for an interview will be contacted.
